# What we do

We create unexpected, custom made, unique and stylish food experiences for brands and corporate clients to stand out from the crowd. From design to delivery, we help you engage with your audience by creating share-worthy, memorable and delicious experiences with only the best of the best local and seasonal products.

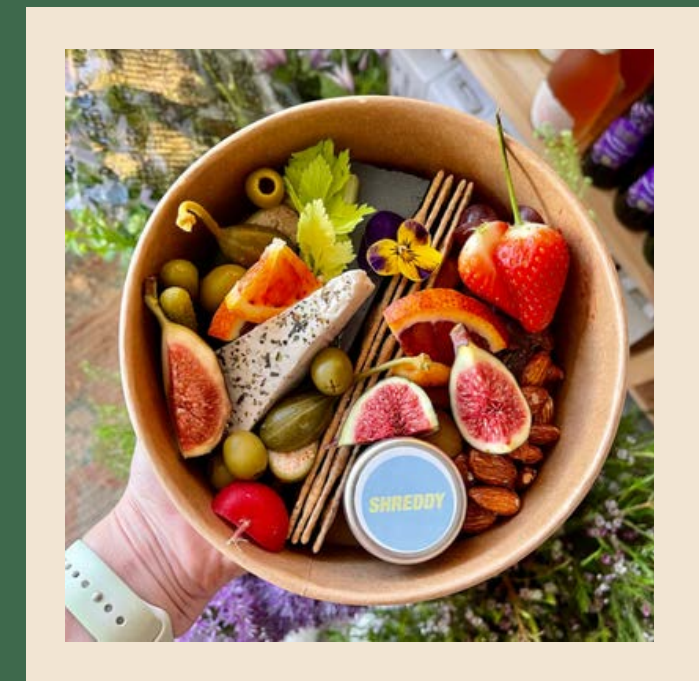

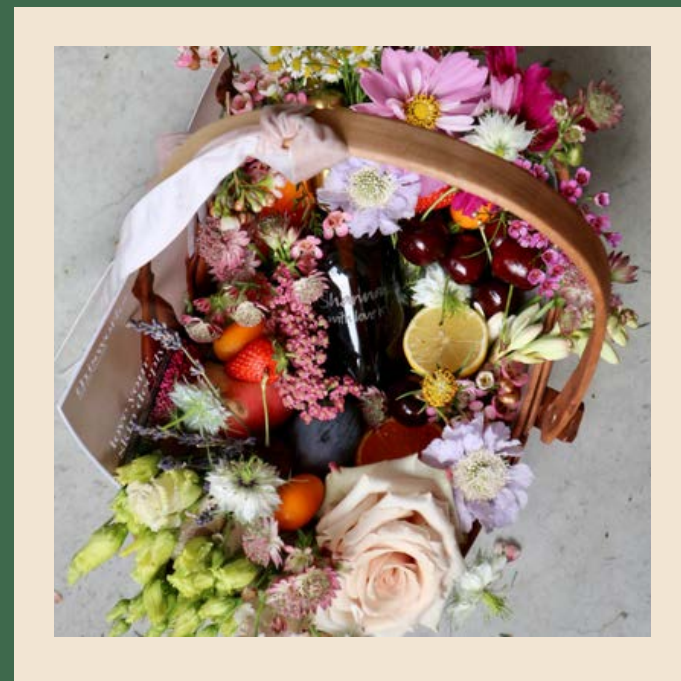

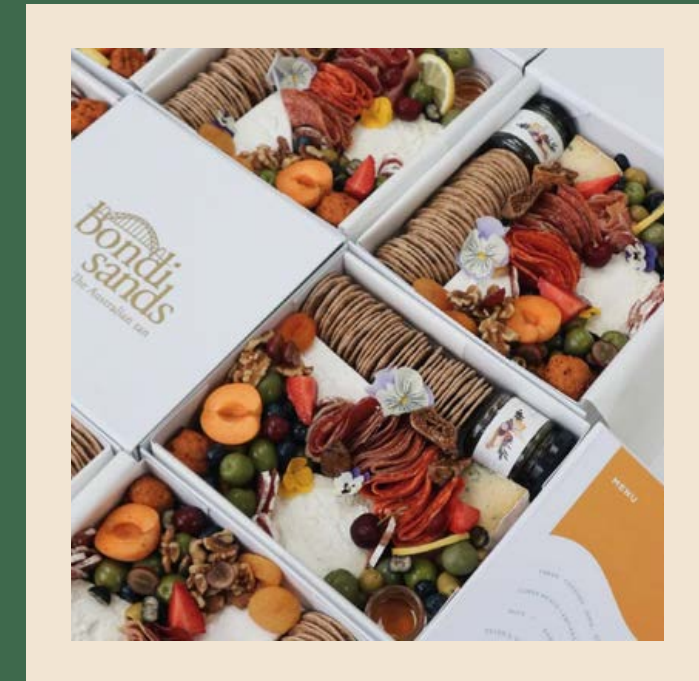

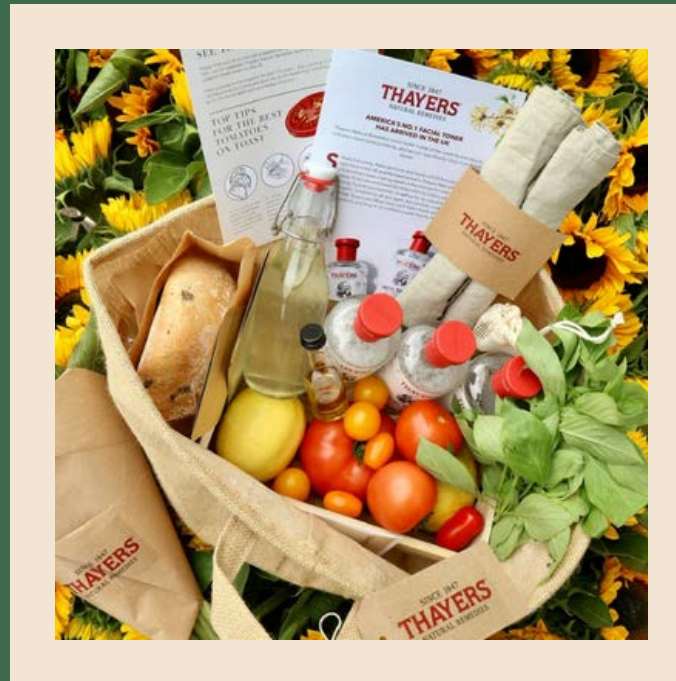

Our beautifully creative, stress-free NL-WIDE solutions are tailored to you and your brand or business and will always have that special Deli-zabeth touch.

# Brand project inspiration

Some examples of what we can do:  
creative mailers, custom grazing boards, produce crates and boxes, brand activations, press and influencer gifting, DIY cheese kits, floral arrangements and picnic boxes.

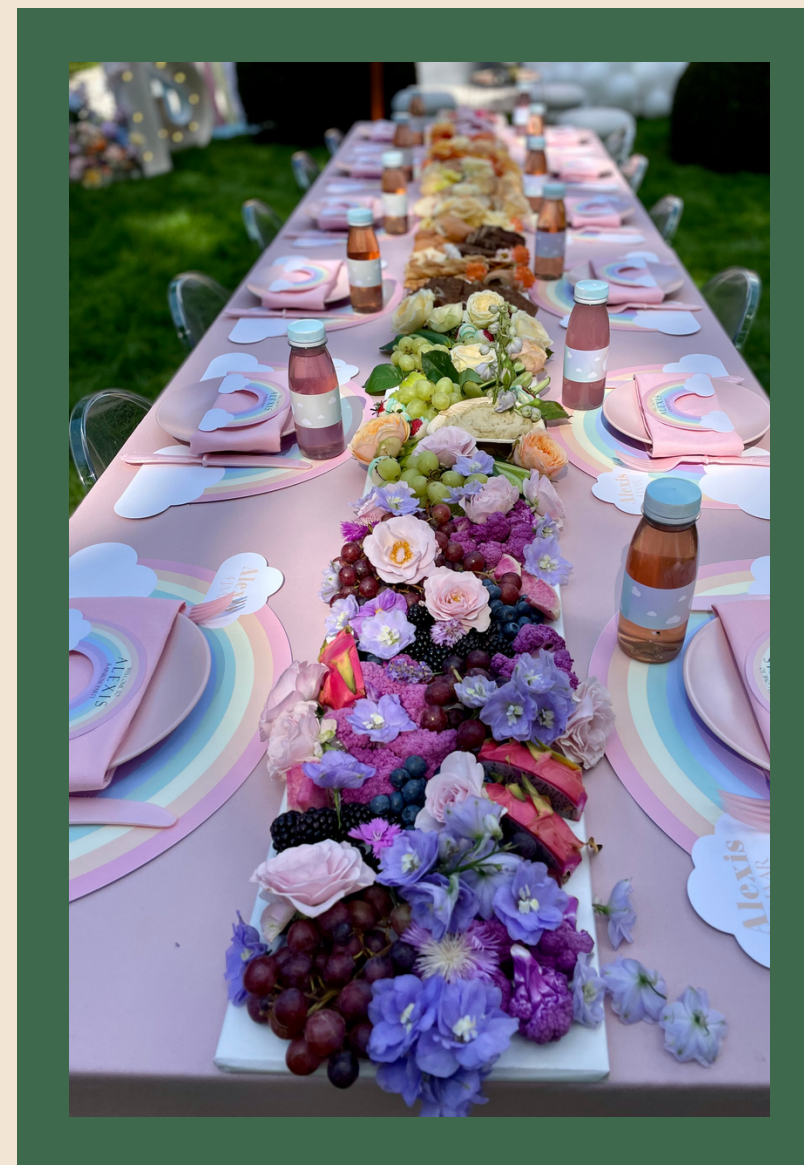

# More Grazings by Deli-zabeth?

Grazings by Deli-zabeth is founded by Elize van Steen, a food concept developer with a love for the best local products and foodstyling. Next to the branded projects, we offer the following grazing catering options shown below. If you like more information, check out the brochure on my website.
